

# StaffPoint

Organise your staff from within CounterPoint EPoS

They're there, they're paid, they're qualified – StaffPoint for efficient management of team and rotas.

## Easy management of the team

- Simple, easy to follow, planner
- Record and populate holidays
- SMS shift reminders
- Record training and re-training prompts
- Share the rota with staff

## Electronic rota

Easy to build, save standard week templates, and share with the team, StaffPoint means goodbye to rota management hassle.

## Manage allocated resources

Optimise your arrangements against budgeted resource allowance, make sure you've always got the right people in the right numbers – managers, supervisors, assistants

## Staff records

One place to keep and use data to build the rota within CounterPoint. Keeps records for each member of the team:

- Contact details
- Email for sending shifts
- Mobile number for SMS shift reminders
- Contracted hours
- Availability

## Privacy

All your contact data can be encrypted to preserve your team's confidentiality

## Holidays

Records holiday allowance and dates booked / taken, along with other leave. This filters into the rota so time off is easily covered.

## Training & qualification records

Keeps auditable records of staff training and qualifications, with prompts for renewal dates.

## Our reseller network

StaffPoint is available as an add-on to CounterPoint EPoS for Sage 50 and Sage 200, exclusively through our reseller network. Visit our website or call us for more information.
